WORK EXPERIENCE

Assistant Developer
8SELECT GmbH

02/2021 - 07/2022   *Germany*

8SELECT provides online retailers and their teams with the Human Experience Platform 8.HX a powerful SaaS solution for scalable, human-created product recommendations along the whole customer journey. The platform significantly reduces the effort required to create cross-category product sets and can be seamlessly connected to online shops with easy API access.

Achievements/Tasks
- Working remotely.
- Helping the frontend team with adding, updating and removing features and mostly with the styling.

Full-Stack web Developer
Upwork.com

01/2016 - 08/2020   *Home*
Freelancing platform

Achievements/Tasks
- Designed and developed simple projects (websites, web pages) for companies and individual people.
- Maintained websites and updated them.
- Identify problems and bugs in the code and quickly solve them.
